

Mission Partner

Canaan Christian Centre

“Touching lives with the love of God”

The Canaan Christian Centre was founded more than 40 years ago by Evelyn Smith, a Reader and member of our Church Family here in Cromer.

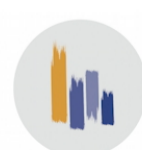

Over the years, Canaan has provided accommodation for families and groups needing respite or a holiday, and has had a very varied and interesting history, finding dozens of different ways to provide for those in need, as God has guided and led. Women,

children, the homeless, destitute, damaged and hopeless have all sought refuge there, and many have found strength, hope and redemption as God has reached in and touched their lives. Canaan has links with Kanaan Haz - a daughter project in Hungary - and with orphanages in both Hungary and Ukraine. Local volunteers and supporters regularly raise funds so that children in the orphanages can go to Bible camp, where they enjoy a week in a very different environment. These, with the centre in Sheringham, provide lots of opportunities for people to serve God in practical and exciting ways. If you have questions or would like to become a volunteer for Canaan, please get in touch using the email address, below. **Above all, please pray.** This is the best support you can give Canaan, so pick up a current prayer letter from the back of church or visit our web site and read it there.
